

# Your Love's Return (Song for Stephen Foster)

[Gordon Lightfoot](#)

Come to the door, my pretty one  
Put on your rings and precious things  
Hide all your tears as best you can  
Try to recall what used to be  
Roses are waiting for dewdrops to fall  
Climbing your windows and walls  
Bells in the steeple are ringing, singing  
Listen to them talkin' about your love's return  
Let me come in, my pretty one  
And try to undo what I have done  
For I must be forgiven now  
I cannot leave your love alone  
Roses are waiting for dewdrops to fall  
Climbing your windows and walls  
Leaves in the garden are falling, calling  
Listen to them talkin' about your love's return  
Let me come in, my precious one  
Wake from your sleep and take me home  
Open your eyes and look my way  
I will not lose what I have won  
Roses are waiting for dewdrops to fall  
Climbing your windows and walls  
Bells in steeple are ringing, singing  
Listen to them talkin' about your love's return
