## Yo Gabba Gabba!

Balloons are fun for me and you,  
So many shapes and colors too,  
And they can cheer you up,  
If youre feeling kind of sadBalloons they float up high in the air,  
We blow them up and they never stop,  
But be careful cause,  
We dont want our balloon to popBalloons, balloons, balloons  
Make me happy.  
Balloons, balloons, balloons  
I love you.Balloons are fun for me and you,  
So many shapes and colors too,  
And they can cheer you up,  
If youre feeling kind of sadBalloons they float up high in the air,  
We blow them up and they never stop,  
But be careful cause,  
We dont want our balloon to popBalloons, balloons, balloons  
Make me happy.  
Balloons, balloons, balloons  
I love you.
