

Heart Beat, Pig Meat

Pink Floyd

[Instrumental][Spoken)...teenagers are so freaked out they can't sit up straight in class... manufacturers in these states report life expectancies for engines is double... maxi coats are both a curse and a blessing if your dry cleaners who charge you fourteen shillings to tie the new styles and nearly double... we're taking our nags, Ace. Yeah, they're making damn good targets of themselves. Let them have it... win a Florida holiday and a color TV... I'd like to say to him just once...]
