

# Starwood In Aspen

## John Denver

It's a long way from L.A. to Denver  
It's a long time to hang in the sky  
It's a long way home to Starwood in Aspen  
A sweet Rocky Mountain paradise  
Oh, my sweet Rocky Mountain paradise  
Springtime is rollin' round slowly  
Grey skies are bringin' me down  
Can't remember when I've ever been so lonely  
I forgot what it's like to be home  
Can't remember what it's like to be home  
I think on my lady's sweet memories  
I think on my children's sweet smiles  
I think on my home in Starwood in Aspen  
All my friends and the snow covered hills  
Oh, my friends are the snow covered hills  
And I tell you I'm happy to be here  
To share and consider this time  
For I see here the shadows of changes  
And a feeling of new friends to find  
And I see here some new friends to find  
It's a long way from this place to Denver  
It's a long time to hang in the sky  
It's a long way home to Starwood in Aspen  
A sweet Rocky Mountain paradise  
Oh, my sweet Rocky Mountain paradise
