

# Cocoa Butter

Craig David

(Craig)

Well I've been searching for this one  
Now shes finally come  
You know what she wants to do (whatchu gon' do)  
Freak it, freaking your body oh so gently  
Tell me do you want me (Craig)  
And we can get freaky freaky  
Turn the lights down low  
Take it nice and slow  
You know from head to toe  
Rubbing you down rubbing you down  
Ohh does it feel real good (don't stop now oh you got it going)  
Freak you like I really should  
You start to stutter  
While im rubbing you down in  
Cocoa ButterCocoa Butter  
Buttering your body  
Driving me crazy (uh)  
All over you lady (yeah)Cocoa Butter  
Buttering your body  
Driving me crazy (uh)  
All over you lady(yeah)Lay your body down baby baby yeah  
Your gettin used to me  
The way I work your body  
From head to toe you know  
Finding different places (yeah)  
To turn you on  
My loves the bomb (uh)  
Diggy (yeah) are you with me  
Feel so good its drivin me crazyMaking you feel fine (don't stop now uh)  
Oh yehhhh (Craig)  
Take your time take your time  
Making You feel fine  
Oh yehhhh  
Take your time take your timeCocoa Butter  
Buttering your body  
Driving me crazy (uh)  
All over you ladyCocoa Butter  
Buttering your body

Driving me crazy (uh)  
All over you ladyWhooa Im rubbing you down  
While the making those sounds  
TonightIm rubbing you down  
All night ah yeahWhooa Im rubbing you down  
While the making those sounds  
TonightIm rubbing you down  
All night ah yeahWhooa Im rubbing you down  
While the making those sounds  
TonightIm rubbing you down  
All night ah yeahWhooa Im rubbing you down  
While the making those sounds  
TonightIm rubbing you down  
All night ah yeahWhooa Im rubbing you down  
While the making those sounds  
TonightIm rubbing you down  
All night ah yeah(Craig)  
Cocoa Butter  
Buttering Your Body  
Driving Me Crazy  
All Over You LadyCocoa Butter  
Buttering Your Body  
Driving Me Crazy  
All Over You Lady(You Go Baby)(Craig)
