

Hideaway

Cash Cash

A-away-away

A-away-away

A-away-away

A-away-away

A-away-away

A-away-away

A-away-away

Away-away- ayI won't hide away, don't try to lock me up

And nobody knows what's going wrong, we know

So get in my face and I won't turn away

Away-away

Away-away- ay

I'll never hide away

So take a shot at me

Out of my hands and let them understand

You better believe I'll never hide away

Away-away

Away-away- ayAway-away

Away-away- ay

Away-away

Away-away- ayYou better believe I'll never hide away

Away-away

Away-away- ayAway, away

Away, away

Away, away

Away, away

I won't hide away, don't try to lock me up

And nobody knows what's going wrong, we know

So get in my face and I won't turn away

Away-away

Away-away- ayI'll never hide away

So take a shot at me

Out of my hands and let them understand

You better believe I'll never hide away

Away-away-away...Away-away

Away-away

You better believe I'll never hide away

Away-away

Away-away- ayI'll never hide away

So take a shot at me
Out of my hands and let them understand
You better believe I'll never hide away
Away-away-away...Out of my hands and let them understandAway-away
Away-away- ayAway-away
Away-away- ayYou better believe I'll never hide away
Away-away
Away-away- ay
