Street Survivor

The Flaming Sideburns

A hard day
Doesn't' take me for a fool
I know the ways
That you got all the dudes
Don't think it's evil
I only stop at night to catch
I'm in the middle
But what you see is what you got
Yeah I'm a street survivor
I didn't read the bible
Yeah I'm a street survivor
I didn't read the bible
Cause I'm like a catYou may be quainter
I am guiding hope
Because they said
Tomorrow might be hot
You never listen girl
Why do you treat me like a dog
Today's better
Now tell me where I gotta go
There's only one place
Yeah street survivor
I didn't read the bible
Street survivor
I didn't read the bible
Oh senorita
Woo
WoahWoah woah woah woah
Yeah I'm a street survivor
I didn't read the bible
Yeah I'm a street survivor
I didn't read the bibleWoah I'm a street survivor
I didn't read the bible
But I'm homeless
You didn't read the bible
I said street street survivor
I didn't read the bible
Street street survivor
I didn't read the bible

Street street survivor
I didn't read the bible
Street survivor honey
Woah!
