Capture the Light

The Go-Go's

When it goes dark
Get me to bed
Forget the night
Wait for the light of day
Sleep till the sun
Comes into sight
CHORUS
I'm gonna capture the light
And keep it in my heart
Yeah grab on to the light
And hold it in my heart
Light and luck and love
Everybody wants
To touch the stars
Take a piece of happiness
Hold on tight
Keep trying hard
CHORUS
To capture the light
And keep it in your heart
Yeah grab on to the light
And hold it in your heart
Used to hunt for darkness
And it would follow me
Wherever I go
Now I'm looking up again
I got no more time
For feeling low
CHORUS
'Cuz I captured the light
I've got it in my heart
Grabbing on to the light
And hold it in my heart
