Just Say Yes

Infant Sorrow

Oh, I'm a love dealer, you wanna score
I'll give you my number so give me a call
You're lookin' so lonely, there's no need to be
Let me introduce you to my family
Mother Mary Marijuana
Uncle Charlie top banana
Meet my cousin, Crystal Meth
Sister Smack and all the rest
Woo
Just say yes, just say yes
Just say yes, just say yes
Just say yes, just say yes
Just say yes
Just say, yes, yes, yes, yes
Yes, yes, yes, yes, yes, yes
Yes, yes, yes, yes
I'm a dangerous substance, addictive as hell
I'm hooked on ya woman as if you can't tell
So snort me and chase me or swallow me whole
Or take me up your arse if that's the way you wanna go
Mother Mary Marijuana
Uncle Charlie top banana
Grandmama and DMA
Auntie Emma sing it, hey
Sing it, hey
Just say yes, just say yes
Just say yes, just say yes
Just say yes, just say yes
Just say yes, just say yes
Just say yes, just say yes
