

Think (Single Version)

[Aretha Franklin](#)

You better think (think) think about what you're trying to do to me
Think (think, think), let your mind go, let yourself be freeLet's go back, let's go back, let's go way on back when
I didn't even know you, you couldn't too much more than ten
I ain't no psychiatrist, I ain't no doctor with degrees
It don't take too much high IQ's to see what you're doing to meYou better think (think) think about what you're
trying to do to me
Yeah, think (think, think) let your mind go, let yourself be freeOh freedom (freedom), freedom (freedom),
freedom, yeah freedom
Freedom (freedom), freedom (freedom), freedom, ooh freedomThink about it, think about itThere ain't nothing
you could ask I could answer you but I won't (I won't)
I was gonna change, but I'm not, to keep doing things I don'tYou better think (think) think about what you're
trying to do to me
Yeah, think (think, think), let your mind go, let yourself be freePeople walking around everyday, playing games
taking score
Trying to make other people lose their minds, ah, be careful you don't lose yoursYou better think (think) think
about what you're trying to do to me
Yeah, think (think, think), let your mind go, let yourself be freeYou need me (need me) and I need you (don't
you know)
Without each other there ain't nothing people can doThink about it baby
