Animalterialistic

Guttural Riot

Culture driven by consumers you want it now or even sooner the brand new car the nice big home define yourself by what ya own on the outs your think your the man but deep inside your alone and sad happiness built on what ya have need to fit in it drives you mad so you empty out your bank account chicks are gonna love you now

Animalterilistic with your pumped lips and your fake tits animalterilistic your life's pretend be realistic animalterilistic your soulless life will end the quickest, got them Gucci shades now your the shit!!!

Who needs personality? It's about how you look and appear to be fuck how you feel it's what they see starve yourself so you look slimmer taking pills now you look thinner you'll get laid if your dick's bigger wanna girl with the perfect figure society is getting sicker!

Fuck the housewives shore of jersey fuck your ugly plastic surgery got one chance to make it big entertain the cattle and please the pigs!

Animalterilistic with your pumped lips and your fake tits animalterilistic your life's pretend be realistic animalterilistic your soulless life will end the quickest, got them Gucci shades now your the shit!!!

Paying for followers on Instagram counting your number of Facebook friends everyone is selling out heed the words coming outta my mouth get on stage you better nail it I don't give a fuck if America thinks I got talent

Animalterilistic with your pumped lips and your fake tits animalterilistic your life's pretend be realistic animalterilistic your soulless life will end the quickest, got them Gucci shades now your the shit!!!

Your the shit! Your the shit!
