

# Use Somebody (Lo Fi)

## Bat for Lashes

I've been roaming around always lookin' down at all I see.  
Painted faces fill the places I can't reach.  
You know that I could use somebody  
You know that I could use somebody  
Someone like you And all you know and how you speak  
Countless lovers undercover of the street  
You know that I could use somebody  
You know that I could use somebody  
Someone like you Off in the night while you live it up I'm off to sleep  
Waging wars to shake the poet and the beat  
I hope it's gonna make you notice  
I hope it's gonna make you notice Someone like me  
Someone like me  
Someone like me  
Somebody
