

VCR (Rob Flow's New Mode disco remix)

The xx

You, you still have all the answers
And you, you still have them too
And we, we live half in the day time
And we, we live half at night Watch things on V-C-R's, with me and talk about big love
I think we're superstars, you say you think we are the best thing But you, you just know, you just do When I find
myself by the sea, in another's company by the sea
When I go out the pier, gonna dive and have no fear
Because you, you just know, you just do Watch things on V-C-R's, with me and talk about big love
I think we're superstars, you say you think we are the best thing But you, you just know, you just do
