

# Sophisticated Lady

## New York Trio

Sophisticated lady tryin' to change my ways  
Just because you're caught in your social maze  
I think it's 'bout time that you realize  
Your money and your power's got you mesmerizedPretty lady, get back  
Pretty lady, yea  
Sophisticated lady put your blue jeans on  
You're anybody's baby when your mama's goneEducated lady with your college degree  
Amazes me why you just can't see  
Learned everything from your books on the shelf  
But no one ever taught you how to think for yourselfPretty lady, get back  
Pretty lady, yea, sweet thing  
Sophisticated lady put your blue jeans on  
You're anybody's baby when your mama's goneSophisticated lady take a lesson from me  
I can help you be what you want to be  
Together we'll see many brighter days  
If it takes forever, gonna change your waysPretty lady, get back  
Pretty lady, yea, sweet thing  
Sophisticated lady put your blue jeans on  
You're anybody's baby when your mama's goneSophisticated lady put your blue jeans on  
You're anybody's baby when your mama's goneSophisticated lady put your blue jeans on  
You're anybody's baby when your mama's gone
