Fantasy (Ben White Remix)

The xx

For the desired effect
Would you come back August or June, June
And I hate that tomorrow's too soon
But this collision, came mid bloomBetter built to resume
I'll see you August, see you June
I'm building higher than I can see
I want fantasyDon't rest with the less
I'm burning to impress
It's deep in the middle of me
I can be fantasy
