

Fantasy (Ben White Remix)

[The xx](#)

For the desired effect
Would you come back August or June, June
And I hate that tomorrow's too soon
But this collision, came mid bloom Better built to resume
I'll see you August, see you June
I'm building higher than I can see
I want fantasy Don't rest with the less
I'm burning to impress
It's deep in the middle of me
I can be fantasy
