

# Savere Savere

## Sabri Brothers & Nusrat Fateh Ali Khan

Anmol heera paya ajmer ki gali mein  
Anmol heera paya ajmer ki gali mein  
Tareek dil mein khwaja ki roshni tumhe ne

Andhere mein dil ke chiragh-e-mohabbat yeh kis ne jalaya savere savere  
Tasawwur ke suraj ki ik ik kiran se naya noor paya savere savere  
Lagan jis ke deedar ki lag rahi thi qareeb aur aaya savere savere

Kisi ghamzada ne jo Khuwaja piya ko tarap ker bulaya savere savere  
Khazana Mohammad ka haathon mein le ker waheen un ko paaya savere savere  
Khazana Mohammad ka haathon mein le ker waheen un ko paaya savere savere

Ghalat hein ke bazar-e-ishq-o-mohabbat kabhi aashiqo ke samajh mein na aaya  
Khara maal hai to khare daam de ga Ata-e-Mohammad hai zehra ka jaya  
Ghareebo ke data hein Mashâ€™hoor Khwaja koi hind mein unka saani na paya

Aqidat ki mandi ka bas raaz yeh hein isha parh ke gar haajti ne lagaya  
Ibadat ka sauda andhere andhere munafa kamaya savere savere  
Ibadat ka sauda andhere andhere munafa kamaya savere savere

Muqaddas yoon samjhi gayi momino mein saher ki tilawat saher ki ibadat  
Farishte azaan-e-saher sun ke taqseem karte hein bando ko qudrat ki naimat  
Namaz-e-Sehr mein namazi ke sir pe barasti hai Masjid mein Allah ki Rehmat

Tere roza-e-paak ki mere Khwaja ziarat yoon karte hein sub keh ke Sunnat  
Khuda ne Mohammad ko Mairaj ki shar falak per bulaya savere savere  
Khuda ne Mohammad ko Mairaj ki sharr falak per bulaya savere savere

Tasawwur se chehre ke Khuwaja piya ke ujalon se ho ker ke bharpoor chamka  
Azan-e-seher jab howi sara ajmer nazdeek kya door se door chamka  
khare the jo rozay pay behr-e-ziarat nigahon mein unki naya toor chamka

Khuda ki kasam yeh haqiqat hai sehrai ke be-noor aankhon mein bhi noor chamka  
Tere goul e gumbad ko suraj ki kirno ne jab jagmagaya savere savere  
Tere goul e gumbad ko suraj ki kirno ne jab jagmagaya savere savere

Tere goul e gumbad ko suraj ki kirno jab jagmagaya savere savere  
Tere goul e gumbad ko suraj ki kirno jab jagmagaya savere savere

â€|Allah!
