Better Day

The Stevenson Ranch Davidians

go to sleep to get away
In a crazy world it's my escape
But it only lasts until I wake
It's the same old crime, a different day

Dreaming of a better day,
dreaming of a better day someday, someday
I'm dreaming of a better day, dreaming of a better day someday
Someday

Now I lay me down to sleep
I pray the lord my soul to keep
Don't let me stray, too far away
Give me one more day to head my way

Dreaming of a better day,
dreaming of a better day someday, someday
I'm dreaming of a better day, dreaming of a better day someday
Someday

My life is gonna to change, can't always be the same
I know is gonna change, someday

Someday
Heeeeehee, someday

Heeeeeheee, someday.....
I know, I know, I know...
