

Stand

Cassadee Pope

You feel like a candle in a hurricane Just like a picture with a broken frame Alone and helpless, like you've lost
your fight But you'll be alright, you'll be alright
Cause when push comes to shove You taste what you're made of You might bend til you break Cause it's all
you can take
On your knees you look up Decide you've had enough You get mad, you get strong Wipe your hands, shake it
off Then you stand, then you stand
Life's like a novel with the end ripped out The edge of a canyon with only one way down Take what you're
given before it's gone And start holdin' on, keep holdin' on
Cause when push comes to shove You taste what you're made of You might bend til you break Cause it's all
you can take
On your knees you look up Decide you've had enough You get mad, you get strong Wipe your hands, shake it
off Then you stand, yeah, then you stand
Every time you get up And get back in the race One more small piece of you Starts to fall into place, yeah
Cause when push comes to shove You taste what you're made of You might bend til you break Cause it's all
you can take
Yeah, then you stand Yeah, baby Woo hoo, woo hoo Woo hoo, woo hoo Then you stand, yeah yeah
