She Wears My Ring

Foster & Allen

She wears my ring to show the world that she belongs to me
She wears my ring to show the world she's mine eternally
With loving care I placed it on her finger
To show my love for all the world to seeThis tiny ring is a token of tender emotion
An endless pool of love that's as deep as the ocean
She swears to wear it with eternal devotion
That's why I sing because she wears my ringShe swears to wear it with eternal devotion
That's why I sing because she wears my ring
This tiny ring is a token of tender emotion
An endless pool of love that's as deep as the oceanShe swears to wear it with eternal devotion
That's why I sing because she wears my ring
That's why I sing because she wears my ring
