

Dom

Sioux Falls

spending too much time on the internet
are you ok? you don't seem very into it
when i get home i crawl in bed
did you get that voicemail your sister sent?when i explode will you freak out?
ben's never tasted saur kraut
i think it's fun i think it's sweet
i think it's nice i think you're meanhow was work are you okay?
how's your mom is she the same?
i am good just playing shows
you know how that stuff goes
i know it's hard for you to see
but this is just what she needs
you never got just what she meant
you messed it up again, again
you went to bed but not to sleep
you hurt yourself
he is a creep
that fucks his kids
they hit their friends
and disrupt class their teacher says
i don't know just where i sit
towards the back a little bit
she had a big newfie named dom
he died young now she's a mom
i hope that she is doing ok
i think she is in her own way
i hope she is doing ok
