

Land of Make Believe

Bucks Fizz

Stars in your eyes, little one
Where do you go to dream
To a place, we all know
The land of make believe

Shadows, tapping at your window
Ghostly voices whisper will you come and play
Not for all the tea in China
Or the corn in Carolina
Never, never ever
They're running after you babe

Run for the sun, little one
You're an outlaw once again
Time to change, Superman
He'll be with us while he can
In the land of make believe

Something nasty in your garden's waiting
Patiently, till it can have your heart
Try to go but it won't let you
Don't you know it's out to get you running
Keep on running
They're running after you babe

Run for the sun, little one
You're an outlaw once again
Time to change, Superman
He'll be with us while he can
In the land of make believe

Your world is turning,
From night to day,
Your dream is burning far, far away

Into the blue,
You and I,
To the circus in the sky,
Captain Kids,
On the sand,

With the treasure close at hand,
In the land of make believe

In the land of make believe

Run for the sun, little one
You're an outlaw once again
Time to change, Superman
He'll be with us while he can
In the land of make believe

Run for the sun, little one
You're an outlaw once again
Time to change, Superman
He'll be with us while he can
In the land of make believe

I've got a friend who comes to tea,
And no-one else can see but me,
He came today,
But had to go,
To visit you?
You never know
