Daddy's Gonna Pay for Your Crashed Car

U2

You're a precious stone
You're out on your own
You know everyone in the world
But you feel alone
Daddy won't let you weep
Daddy won't let you ache
Daddy gives you as much as you can takeDaddy's gonna pay for your crashed carA little uptight you're a baby's fist
Butterfly kisses up and down your wrist
When you see daddy coming
You're licking your lip
Nails bitten down to the cringeDaddy's gonna pay for your crashed car
Daddy's gonna pay for your crashed carYou've got a head full of traffic
You're a siren's song
You cry for mama and daddy's right along
He gives you the keys to a flamin' car
Daddy's with you wherever you are
Daddy's a comfort, daddy's your best friend
Daddy hold your hand right up to the endDaddy's gonna pay for your crashed car
Daddy's gonna pay for your crashed carSunday, Monday, Tuesday, Wednesday
Thursday, Friday, Saturday's
Alright
