You Wont Forget Me

La Bouche

OohTonight is the night youre gonna get the best
Ill treat you right, Im better than the rest
Wherever you go and wherever you will be
You wont forget me, you wont forget meOoh, ooh, ooh, na, na, na, na
Your gonna miss what I got to offer
Ooh, ooh, ooh, na, na, na, naWhen you need action, love and affection, youre gonna run to me
And when you are feezin youll search for me to be your cover
And when you feel lonely, Ill be the only one to set you free
If youre man enough Ill be you perfect lover endlesslyTonight is the night youre gonna get the best
Ill treat you right, Im better than the rest
Wherever you go and wherever you will be
You wont forget me, you wont forget meOoh, ooh, ooh, na, na, na, na
Without my love you will surely suffer
Ooh, ooh, ooh, na, na, na, na
Youre gonna miss what I got to offerYou wont forget me
You wont forget me
You wont forget me, noTonights the night, you wont forget this love
Relax your mind and let your body unwind
Theres no more pressure, no more pain
Tonight girl, dont be ashamedNo matter what the cravin because Im staying
Provide, no criticize
No matter what the need, Ill give you what you need
Dont doubt, our love is turn you outYoull be on fire, you cant deny a
Love thats heaven sent
When I touch your heart, Im gonna start
A dream that never endsI want you, I want you
Like a drug in my vein
Like a drug in my vein
You wont forget meTonight is the night youre gonna get the best
Ill treat you right, Im better than the rest
Wherever you go and wherever you will be
You wont forget me, you wont forget meTonight is the night youre gonna get the best
Ill treat you right, Im better than the rest
Wherever you go and wherever you will be
You wont forget me, you wont forget meYou wont forget me baby
You wont forget me
You wont forget me
