

Turning Away

Bryan Andrew Wilson

I wonder how I got here?
What did I do to get here?
Somehow I made the wrong turn and now Iâ€™m lost and burned
In my mess I feel deep because my flesh was weak
But now I hear your voice and Iâ€™m making the choice

CHORUS:

Iâ€™m turning away from the things that I do
That I know arenâ€™t pleasing in your sight
Iâ€™m turning away from the messed up mindset
And the things that I know arenâ€™t right
Iâ€™m turning away from the past the hurt and shame
All the things that had me bound
Iâ€™m turning away, turning away

When temptation tries to lure me off my course
I will choose you, Iâ€™ll choose you
`Cuz Iâ€™ve been there and Iâ€™m not going there no more
Said I want a new start Iâ€™m giving you my heart
From your love I never want to depart

REPEAT CHORUS

BRIDGE:

(Iâ€™m turning away) From the way of my past
(Iâ€™m turning away) Iâ€™ve changed my mind, changed my heart
(Iâ€™m turning away) Iâ€™m surrendering unto you
(Iâ€™m turning away) Iâ€™m turning away
(Iâ€™m turning away) Iâ€™m turning away

REPEAT CHORUS
