

Kiss Me Kiss Me

5 Seconds of Summer

Whoa-oh-oh
Whoa-oh
Here's to teenage memoriesWhoa-oh-oh
Whoa-oh
Here's to teenageÂ Can I call wake you up on a Sunday?
Late night, I think we need to get away
Head lights, hold tight turn the radio loud
Let me know where to go and I'll get you there
Tell the truth and I'll show you how to dare
Flash lights held tight we could own this town
Never say goodbyeAnd so kiss me, kiss me, kiss me
And tell me that I'll see you again
'Cause I don't know,
If I can let you goAnd so kiss me, kiss me, kiss me
I'm dying just to see you again
Let's make tonight
The best of our lives,
Yeah
Here's to teenage memoriesWhoa-oh-oh
Whoa-oh
Here's to teenage memoriesClose your eyes you'll be mine and it's alright
Take a breath no rest till the sunrise
Heartbeat so sweet, when your lips touch mine
We don't have to go home right now,
We're never gonna stop 'cause we're dreaming out loud
We know what we want, we know we're going to get it somehow
Never say goodbyeAnd so kiss me, kiss me, kiss me
And tell me that I'll see you again
'Cause I don't know,
If I can let you goSo kiss me, kiss me, kiss me
I'm dying just to see you again
Let's make tonight
The best of our lives,
Yeah
Here's to teenage memories
Here's to teenage memoriesAnd so kiss me, kiss me, kiss me
And tell me that I'll see you again
'Cause I don't know, if I can let you goSo kiss me, kiss me, kiss me
I'm dying just to see you again

Let's make tonight
The best of our lives,
Yeah
Here's to teenage memories Whoa-oh-oh
Whoa-oh
Here's to teenage memories Whoa-oh-oh
Whoa-oh
Here's to teenage, memories
