

Your Decision

Alice in Chains

Time to change has come and gone
Watched your fears become your god
It's your decision, it's your decision Overwhelmed, you chose to run
Apathetic to the stunned
It's your decision, it's your decision You feed the fire that burned us all
When you lie
To feel the pain that spurs you on
Black inside No one plans to take the path
That brings you lower
And here you stand before us all
And say it's over, it's over It might seem an afterthought
Yes, it hurts to know you're bought
It's your decision, it's your decision You feed the fire that burned us all
When you lie
To feel the pain that spurs you on
Black inside It's your decision, it's your decision No one plans to take the path
That brings you lower
And here you stand before us all
And say it's over, it's over It's over
