

Somewhere in My Car

Keith Urban

I'm driving home tonight, catching all red lights
That's alright cause I don't want to be alone
There's nobody waitin' there, cold and empty bed
Words I wished Id said come on the radioOoh, oh, oh, and I don't know why I do this to myself
Ooh, oh, oh, I know you're with someone elseBut in my mind were somewhere in my car
And it's raining hard on the streetlight glow
You got your lips on mine, its gasoline on fire
I never will forget, you grabbed my shirt and pulled it over my head
And your fingertips slide up and down my back
Breathin' hard, steamin' up the glass
Id give anything if I could bring you back homeSo, I've been sleeping til noon in the same bedroom
Where I once held you and its breaking my heart
I should take down all those pictures from my wall
Promises we made won't fill this empty spaceOoh, oh, oh, and I dont know why I just cant let you go
Ooh, oh, oh, I know youre never coming backBut in my mind were somewhere in my car
And it's raining hard on the streetlight glow
You got your lips on mine, its gasoline on fire
I never will forget, you grabbed my shirt and pulled it over my head
And your fingertips slide up and down my back
Breathin' hard, steamin' up the glass
Id give anything if I could bring you back homeBut in my mind were somewhere in my car
And it's raining hard on the streetlight glow
You got your lips on mine, its gasoline on fire
I never will forget, you grabbed my shirt and pulled it over my head
And your fingertips slide up and down my back
Breathin' hard, steamin' up the glass
Id give anything if I could bring you back home
