Secret

Samantha Jade

Why don't you be a man
Hold that thought and don't say
You don't understand
If you got a matter take it in your hands
we both know the situation
Where you get your education
Ohh Oh Ooh
Ohh Oh Ooh
Take a stance
Stop the second guessing your switching too fast
Make your mind up while im giving you a chance
Why, you know the situation(incomprehensible)Ohh Oh Ooh
Ohh Oh Ooh
Somebody's got a little secret
Somebody doesn't know I know it
You think you'd be breaking my heart
(heart) (heart) (heart)
You think it's breaking my heart
Ohh Oh Ooh
Don't waste your time trying to deny it
What you're trying to hide is out the closet
You think you'd be breaking my heart
(heart) (heart) (heart)Set it free
Truth it always comes to light
Eventually
I'm not sitting to hear a clear apology
I'm not blind no i'm just waiting
Hurry up I'm hesitating
Ohh Oh Ooh
And yeah I-I always knew
Playing games was for two
And yeah I-I always knew it was too good for you
So I'll just let you pass
But now i'm tired of confrontation
You're the cause of my frustration
Ohh ooohh yeeaahhOhh Oh Ooh
Somebody's got a little secret
Somebody doesn't know I know it
You think you'd be breaking my heart

(heart) (heart) (heart)
You think you'd be breaking my heart
Ohh Oh Ooh
Don't waste your time trying to deny it
What you're trying to hide in the closet
You think you'd be breaking my heart
(heart (heart) (heart)Forever and a day
is what we used to say
But I guess it meant nothing real to you
There's nothing left to do
Cause I'm so over you
It's so funny to me
You think it's breaking my heart
(yeah) (yeah) (yeah) (yeah)
You think it's breaking my heart!Ohh Oh Ooh
Somebody's got a little secret
(somebody's)
(Oh oh ohh)
Somebody doesn't know I know it
(no no)
You think you'd be breaking my heart
(heart) (heart) (heart) (ooooohhh)
You think its breaking my heart
(breaking my heart)
Ohh Oh Ooh
Don't waste your time trying to deny it
What you're trying to hide in the closet
(oooohhh) (ooohYeaaah)
You think you'd be breaking my heart
(heart) (heart) (heart)
(you think it's breaking my heart)
(you think it's breaking my heart)
Breaking my heart
mmmmmmmmm
Mmmmmmmmm
Ohh Oh Ooh
Mmmm Ohhhhh
