Monsters

The Gathering

All you need all you need All you need Is all is nowAll you need all you need All you need Is not what you're gettingAll you live all you give All you live Fits in a teardropIf you come closer I'll show you how it feelsAll you need all you need All you need Is all is nowAll you live all you give All you live Fits in a teardropGive what's worth remembering Give what's worth dying Give it al Oh, back for moreYou just give it all Oh, back for moreIf you come closer I'll show you how it feelsHigh is high Low is low Love is goneThe best ones are the first to If you come closer I'll show you how it feelsHigh is high Low is low
