

Hurray!

Kalan Porter

I mastered a disguise that I take with me

I smile and nod and pretend

I know how to dress, cut my hair

I know how to act like I don't care

You won't believe that I've recovered quite so quicklyTelling you it's almost true

Somone else would almost do

Someone that is almost you

Hurray, I say hurrayI'm not afraid to say the things that I am thinking

Cause I'm not dreaming of you

I know what it takes to walk that walk

Set my heartbeat to the clock

It's 4am and I haven't started sleepingTelling you it's almost true

Somone else would almost do

Someone that is almost you

Hurray, I say hurraySame, I will find her

Someone just the same

I will find her

Just the same but worse in every wayTelling you it's almost true

Somone else would almost do

Someone that is almost you

Hurray, I say hurray
