Words (Interface Remix)

Missing Persons

Do you hear me?
Do you care?
Do you hear me?
Do you care?My lips are moving and the sound's coming out
The words are audible but I have my doubts
That you realize what has been said
You look at me as if you're in a daze
It's like the feeling at the end of the page
When you realize you don't know what you just readWhat are words for
When no one listens anymore
What are words for
When no one listens
What are words for
When no one listens
There's no use talking at allI might as well go up and talk to a wall
'Cause all the words are having no effect at all
It's a funny thing, I say to myself
Something has to happen to change the direction
What little filters though is giving you the wrong impression
It's a sorry state, am I all alone?What are words for
When no one listens anymore
What are words for
When no one listens
What are words for
When no one listens
There's no use talking at allDo you hear me?
Do you care?
Do you hear me?
Do you care?Let me get by over your dead body
Hope to see you soon, when will I know?
Doors three feet wide with no locks open
Walking always backwards in the faces of strangers
Time could be my friend
But it's less than nowhere now, it's less than nowhere now
It's less than nowhere now, nowhere nowPursue it any further and another thing you'll find
Not only are they deaf and dumb they could be going blind
No one notices, I think I'll dye my hair blue
Media overload bombarding you with action
It's getting near impossible to cause distraction

Someone answer me before I pull the plugWhat are words for
When no one listens anymore
What are words for
When no one listens
What are words for
When no one listens
There's no use talking at allWhat are words for
When no one listens anymore
What are words for
When no one listens
What are words for
When no one listens
There's no use talking at allDo you hear me?
Do you care?
Do you hear me?
Do you care?
(Tell me what are words for)Do you hear me?
(Tell me what are words for)
Do you care?
(Tell me what are words for)
Do you hear me?
(Tell me what are words for)
Do you care?
(Tell me what are words for)Do you hear me?
(Tell me what are words for)
Do you care?
(Tell me what are words for)
Do you hear me?
(Tell me what are words for)
Do you care?
(Tell me what are words for)
