

# secret garden (jerry maguire mix)

## Bruce Springsteen

She'll let you in her house  
If you come knockin' late at night  
She'll let you in her mouth  
If the words you say are right If you pay the price  
She'll let you deep inside  
But there's a secret garden she hides She'll let you in her car  
To go drivin' round  
She'll let you into the parts of herself  
That'll bring you down She'll let you in her heart  
If you got a hammer and a vise  
But into her secret garden, don't think twice You've gone a million miles  
How far'd you get  
To that place where You can't remember  
And you can't forget She'll lead you down a path  
There'll be tenderness in the air  
She'll let you come just far enough  
So you know she's really there  
She'll look at you and smile  
And her eyes will say  
She's got a secret garden  
Where everything you want  
Where everything you need  
Will always stay  
A million miles away
