

# Robin Hood

## Scritti Politti

I've been longing too long a time  
I dream of ending these dreams of mine  
    Of hope for love forevermore  
    And just to adore and be adored

The need for someone new now  
    I'm overawed

I've been wishing my life away  
    For Robin Hood to be king  
One day we'll share the treasures of the world  
    Oh yeah, when I will get the girl

A flag of blood and lipstick  
    Will be unfurled

All prophecy will fail  
    And by that light we'll sail

I have closed my eyes and seen  
Well, I've seen the end of the men of means  
    And so I want that thrill and then  
    You know I want that thrill again

To a life of hopes and hi there's  
    I am condemned

I love in hope  
I'll never go back, never ever, ever go back  
I'll never go back, never ever, ever go back

I love in hope  
I'll never go back, never ever, ever go back  
    (Been longing too long a time)  
I'll never go back, never ever, ever go back  
    (Been longing too long a time)

I love in hope  
I'll never go back, never ever, ever go back  
    (Been longing too long a time)

I'll never go back, never ever, ever go back  
(Been longing too long a time)

I love in hope  
I'll never go back, never ever, ever go back  
(Been longing too long a time)  
I'll never go back, never ever, ever go back  
(Been longing too long a time)
