Cheap Cologne

William Michael Morgan

Well I toss and turn in the sheets
I close my eyes but I can't sleep
Another night waiting up on her
While this bourbon and the porch light burns
No matter how hard she tries
There's no way to hide what's been going on
She don't smoke cigarettes and I don't wear cheap cologneShe'll be in from God knows where
I'll smell that honky tonk in her hair
I don't know if there's someone she's holding
But my suspicion keeps on growing
And a shower won't cover it up when she gets home
She don't smoke cigarrettes and I don't wear cheap cologneWhen she's done with her wine and comes home tonight
And slips into this big old bed
Well I'll be gone, she'll be there all alone
Lying by herself instead. MhhhhhhmmmWhen she's done with her wine and comes home tonight
And slips into this big old bed
Well I'll be gone, she'll be there all alone
Lying by herself insteadWell I toss and turn in the sheets
I close my eyes but I can't sleep
Another night waiting up on her
While this bourbon and the porch light burns
No matter how hard she tries
There's no way to hide what's been going on
She don't smoke cigarettes and I don't wear cheap cologneNo she don't smoke cigarettes and I don't wear cheap cologne
