Its Only Love (Feat. Bryan Adams)

Tina Turner

When the feeling is ended
There ain't no use pretending
Don't you worry, it's only love
When your world has been shattered
Ain't nothing else matters
It ain't over, it's only love
And that's allWhen your heart has been broken
Hard words have been spoken
It ain't easy, but it's only love
And if your life ain't worth living
And you're ready to give in
Just remember that it's only love
Yeah, that's allYou can live without the aggravation
You gotta want to win, you gotta want to win
You keep looking back in desperation
Over and over and over again
