

Ghost Story

My Epic

Wake
You're haunting me again
There you stand every time
So alive it's scaring me to death
Wave
You're beckoning me in
To the places between all the dreams
And nightmares in my head
Seeds will never bloom 'til they die
Wicks don't shine until they're on fire
And every newborn leaves a scar to remind
If it costs me nothing
Is it worth anything?
I hear you calling but my God I am scared
Still if you lead me I will follow you there
Grace
We talk as though it's free
But who can measure the cost of your Son
Or put a price upon your grief?
So it's a gift but it's not cheap
Seeds will never bloom 'til they die
Wicks don't shine until they're on fire
And every newborn leaves a scar to remind
If it costs me nothing
Is it worth anything?
And if your glory follows after the cross
Then God so help me I will carry it on
The doubts still whisper inside my gut
"Count the cost" but I added it up
And it keeps haunting me
Haunting me
Because I've dreamt the faces of hopeless men
(Holy Ghost)
I've seen the truth of what's at risk
(Keep haunting)
And I cannot stop thinking of the sounds in hell
(Holy Ghost)
So let them grow louder and louder
(Keep haunting)
'Til I don't fear anything else
Keep haunting me
If it costs me nothing
Is it worth anything?
I hear you calling but my God I am scared
Still if you lead me I will follow you there
If it takes everything
And I'm left with nothing
I know your glory follows after the cross

Then God so help me I will carry it on
Carry it on
Carry it on I hear you calling but God I am scared
(Holy Ghost)
If you lead me I will follow you there
(Keep haunting me)
I hear you calling but God I am scared
(Holy Ghost)
I hear you calling
Keep haunting
