Happy Accident

Jason Reeves

It's kinda crazy runnin' into you
A million people tryin' to catch a train
On a Tuesday
I'm not too sure what made me smile
Turn around at the turnstile
Forgetting everything I had to do
I want it to be like that again, like the first time
Will it ever be like that again, like the first time?
Like a happy accident
In the park, the trees were all in bloom
No one seeing pictures in the clouds
But me and you
I don't know why it's not so clear
But I feel like I've known you for years just
Laughing 'cause we've got nothing to lose
I want it to be like that again, like the first time
Will it ever be like that again, like the first time?
Like a happy accident
Love is so unexpected, can't just go out and get it
Love is so unexpected, just like a happy accident
Just like a happy accident
We never wrote or talked or called
And time has passed but I still recall
Every single detail of that day
Oh, I want it to be like that again, like the first time
Will it ever be like that again, like the first time?
Like a happy accident
Love is so unexpected, can't just go out and get it
Love is so unexpected, just like a happy accident
Just like a happy accident
Just like a happy accident
It's kinda crazy runnin' into you
A million people tryin' to catch a train
On a Tuesday
