Bimbo

Yello

You think you're special
And you're a standard guy, I'm gonna tell you
You're nothing but a standard guy
You are a standard, standardIt's the bimbo, standard bimbo man
They call me the white, white, white
White, white, white
White, white bimbo manOh, hey I want her, I want shoes
Oh, so my head hurts but make fun of blues
Oh, that music, I got the blues
Cash in my pocket, don't want to lose
I, I, I try so hard, let me be smartLook at myself in the window of a glass door
Look in my eyes
Look at myself in the window of a toy store
Wink at the size, never ever gonna be
Never ever gonna be, never ever gonna beStaring at her until the end
Special lie, my only friend
That's so hard for me to take
Silly to work around the thingBimbo, bimbo, oh it's sad
It drives me mad, this is bimbo man
Oh, oh, it's sad b-b-b-b-b-b-b-b-b-b-b-b-b-b-bimbo
It drives me mad, why bimbo manOh, oh, it's sad, why it's the bimbo, standard bimbo
It drives me mad, why it's the bimbo man
