Water Under Bridges

Gregory Porter

Somebody told me,
"Get over it."
It's like water under bridges
That have already burned.
They say,
"It gets better,
It gets easier."
The memories start to fade,
And sad songs that always play
You start to hate.Do you remember
The days we used to spend?
Memories so strong,
It keeps me from moving on
If I could go back,
I'd take our worst days.
Even our worst days are better
Than lonelinessSomebody told me,
"Get over it."
It's like water under bridges
That have already burned.
It's like water under bridges
That have already burned.Do you remember
The days we used to spend?
Memories so strong,
It keeps me from moving on
If I could go back,
I'd take our worst days.
Even our worst days are better
Than lonelinessSomebody told me,
"Get over it."
It's like water under bridges
That have already burned.
It's like water under bridges
That have already burned.
It's like water under bridges
That have already burned.They say
They say
They sayIt's like water under bridges
That have already burned.
