

# Cheeseburger

## Gang of Four

(I need a cheeseburger to go)  
I move from one place to the next  
I hope they keep down the price of gas  
I shoot fast while you're talking dollars  
See how I will run the table I won't see my dollar go where they rig it  
High numbers low numbers 8 ball break  
The last cent is coming out of his head  
To be honest or a son like his own And all this changed we're sure of the rides  
The old country's in the back of his mind  
I hope his home is somewhere you go to sleep  
High numbers low numbers 8 ball break  
No classes in the you s of a Improve yourself the choice is yours  
Work at your job you can make it pay  
Make friends quick buy them beer  
You never know when you're gonna lose them  
High numbers low numbers 8 ball break  
I'm at the wheel of the company truck  
On the road and all alone
