

Dime Mi Amor

Los Lonely Boys

Dime mi amor, dime mi amor que me amas
Porque tu sabes muy bien, tu sabes muy bien
Que te quiero
Just tell me you love me again
Say I'm your man
I'll do everything that I can
Oh baby cause you know I'm a stand by my woman man
I don't think that you understand
I'm more than your friend
I'm standing here girl take my hand
Oh baby cause you know I'm a stand by my woman man
