

Crosses

Alozade

Don't you know that I'll be around to guide you?
Through your weakest moments to leave them behind you
 Returning nightmares only shadows
 We'll cast some light and you'll be alright
We'll cast some light and you'll be alright for now
 Crosses all over, heavy on your shoulders
 The sirens inside you waiting to step forward
 Disturbing silence darkens you sight
 We'll cast some light and you'll be alright
We'll cast some light and you'll be alright for now
 Crosses all over the boulevard
 Crosses all over the boulevard
 Crosses all over the boulevard
The streets outside your window over flooded

People staring, they know you've been broken
Repeatedly reminded by the looks on their faces
 Ignore them tonight and you'll be alright
 We'll cast some light and you'll be alright
 We'll cast some light and you'll be alright
 We'll cast some light and you'll be alright
 Cast some light, alright
 Light
 Be alright
 Cast some light, alright
 Be alright
 Be alright
