Picture Cards Can't Picture You

Blaze Foley

I didn't try to fall in love with you
Tried everything that I could do
To keep myself from falling
Like I've done so many times.Tried to wash it all away
with anything and every day
I think of all the things we said
when we were all aloneI saw daylight in your eyes
I saw daylight in your eyesI wish I could but I can't say
Tomorrow's still a day away
I'll always love the times
that I can spend with youWho can know and who can tell
I never seen a wishin' well
That held what its' supposed to hold but who knows
Maybe somewhere there might beI saw daylight in your eyes
I saw daylight in your eyesTime will come and time will go
Can I believe in things I know
Been doing it a long time
Guess I can againWin or draw no chance to lose
Picture cards can't picture you
But I can see you like you are
When I just close my eyes
