Be the Show

Admiral Twin

You don't know me
You don't care
Mary, my hope
My own sweet sister knows me
You don't owe me
But you should share
Just before dawn
The spotlight's on the lawn
Helicopter
Cameras on ya!You wanna be the show
For all the people you know
Then you steal it from me, you know
You know I take it too slow
Be the show
For all the people you know
Then you show it to me, you know
No matter what you say
I want you anyway,
whoa, whoaYou should see me
You should see me now
Mary, my hope
My own sweet sister knows me
If the world could see me
If you could be me now
Now that you know
I think I'll steal the show
Helicopter
Cameras on ya!You wanna be the show
For all the people you know
Then you steal it from me, you know
You know I take it too slow
Be the show
For all the people you know
Then you show it to me, you know
No matter what you say
I want you anyway,
whoa, whoa
