

Don't Waste The Pretty

Allison Iraheta

Dust it off, break it down
Get to what we're talkin about
To what we're talkin about...Don't try to hide it now...
Why keep on workin it out?
You can't keep workin it out...'Cause I see how it's puttin you down
I just can't be around what you doing this for?
'Cause the light in you started to fade
Don't let it get away girl you're worth so much moreDon't waste the pretty on him
Don't waste the pretty on pain
When it gets too much to take don't give it away
Don't waste the pretty on life
Soon it's gonna fly on by
Whatever way you got to see;
Don't waste the pretty
Heyy.Sit back and breath it in
Look at how lucky we are.
Look at how lucky we are
This life we're livin in,
You got to follow your heart
You know I'm never too far...Away from the pain in your eyes
I can see your disguise
But it's not too late...'Cause I know you can turn this around
Don't be scared work it out
And listen when I sayDon't waste the pretty on him
Don't waste the pretty on pain
When it gets too much to take don't give it away
Don't waste the pretty on life
Soon it's gonna fly on by whatever way you got to see;
Don't waste the prettyAnd just in case you need reminding
Well,l you're beautiful, beautiful, beautiful
And there ain't no use in hiding
'Cause you're beautiful, you're beautiful
You're beautifulDon't waste the pretty on him
Don't waste the pretty on pain
When it gets too much to take don't give it away
Don't waste the pretty on life
Soon it's gonna fly on by whatever way you got to see;
Don't waste the prettyDon't waste the pretty
Don't waste the pretty

Don't, Don't, Don't waste the pretty
Don't waste the pretty
Don't , Don't, Don't waste the pretty
Don't waste the pretty
Don't waste the prettyDon't waste the pretty
Don't waste the pretty
Don't, Don't, Don't waste the pretty
Don't waste the pretty
Don't waste the pretty
Don't, Don't, Don't waste the pretty
Don't waste the pretty
Don't waste the pretty
