

# Golgotha

## Embodyment

Crucifixion up on the cross  
Dying for sins fulfilling prophecy  
Beaten for his faith  
Praying for enemies upon sacrifice Forsaken in the eyes of God  
Sins of man to Him were taken  
Innocent and blameless  
Death without purity Place of the skull Golgotha  
Death of the Son Descend into misery  
His death to bring us life  
He was covered in the blood  
Supreme sacrifice Bridging the gap  
Between God and man Flesh torn, humility  
Blood flows purely  
From the cross of calvary Defying death  
Rose from the grave  
To show it is finished, to show all before  
The ascension to empyrean Atoning is the blood of Jesus Christ  
Atoning is the blood of Jesus Christ  
Give in, give in, give in to Him  
Live in the blood of Christ  
Give in, give in, give in to Him  
Live in the blood of Christ He rose, He rose, He rose, He rose  
He rose, He rose, He rose, He rose  
Rose, rose, rose, rose Resurrection
