

I've Fallen For You

Toni Gonzaga

what is this i'm feelin?
i just can't explain
when your near
i'm just not the same
i try to hide it
try not to show it
it's crazy
how could it be?

CHORUS:

i've fallen for you
finally, my heart gave in
and i'm fallen in love
i fin'lly know
how it feels

when you said hello
i looked in your eyes
suddenly, i felt good inside
is this really happening?
or am i just dreaming?
i guess it's true
i can't believe
(repeat chorus)
so this is love.....

doesn't matter where i am
thoughts of you still linger
in my mind
no matter what time of day
i've really, really fallen for you...
(repeat chorus)
so this is love
