

Who's Fucking Who

Dwarves

Every day like a wild hornet
My haunted heart is pumpin'
Don't need no ?
We live in teenage wet dreams
Every day like a night zombie
Right back you're comin' to haunt me
Every day in the USA
Demons on the loose
Yeah who's
Fucking who
Fucking who
Fuckin' fuck around in this fuckin' town
Fuckin' up when you're fuckin' down
Fuckin' girls and fuckin' guys
? in their eyes
Uh huh- yeah
Wanna talk about who's
Fucking who
