

Say You Will (Live 2008)

Foreigner

Say you will, say you won't make up your mind tonight
Say you do, say you don't want to be mine
Say you will, say you won't make up your mind this time
Say you will, say you will be mine tonight I can't sleep, I keep dreaming of losing you
I feel so alone in the night, scared to open my eyes
I'm in too deep, I'm in over my head this time Can't get you out of my mind, no matter how hard I try
So won't you say you will, say you won't make up your mind tonight
Say you will, say you won't be my guide light
Say you will, say you won't make up your mind this time
Say you do, say you do, you want to be mine
I get the feeling I've never been here before 'Cause no one I've known's ever moved me the way that you do
And I know this is the real thing, it's all I've been searching for
I put it all on the line, now I'm hoping you feel that way too
And if you do, why don't you say you will, say you won't make up your mind tonight
Say you do, say you don't want to be mine
Now will you say you will, say you won't make up your mind this time
Say you will, say you will, you'll be mine tonight
Will you tell me how much I mean to you, will you say you always will be true
I need more than a come on sign, so won't you say you will be mine
Now won't you say you will, say you won't make up your mind tonight
